

A MESSAGE FROM MRS WALSH

The Children had a wonderful time in the music session and will be accessing more music this term. 7th March is World book day and the staff and I will be dressed up in Crayon clothing, we would like the children to also dress up as their favourite coloured crayon.

Nursery places are filling up fast for September 2024. see more details in this newsletter.

The Music Man

We had the pleasure of the Music man visiting our school today. The children loved interacting with the musical instruments and were treated to a special concert with Miss Jenkins and Mr Foster.

World Book Day—Thursday

7th March 2024

Our theme for world book day this year is:

The Day the Crayons Quit.

When Duncan opens his crayon box, all he finds is notes which say 'we quit'. Orange and Yellow are bitter rivals. Blue is sick of water. Beige feels unloved. Will they ever draw pictures together again?

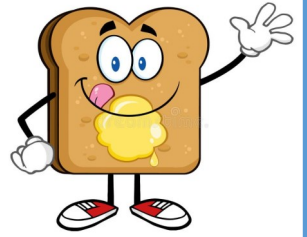

All staff are joining in and coming to school as crayons, Children may come to school as crayons, as their favourite book character or wear their normal clothes.

Lets help bring the Crayons back together!

Toast

As the children have really enjoyed having a slice of toast in the mornings. We are continuing with this in the new year.

We are encouraging all children to **arrive to school on time before 8.55am**, to be able to have some toast before class starts.

Dear Parents

I have received an interesting article from a parent regarding school policies around school attendance. I felt a letter to explain our rationale would be of benefit to you.

Firstly we have a statutory duty to improve attendance and reach government expected targets. This is currently 96%. This is measured via Ofsted as part of their 'Behaviour & Attitudes' section. As a school governing body we spend time discussing this issue. Our 3 key issues regarding attendance are:

- 1. Childhood illness (obviously our cohort aged 3-7 will get these)**
- 2. Term time extended leave (1%+ of our annual attendance is created by this)**
- 3. Eid (1% of our annual attendance can be affected due to our demographic , sadly the government make no allowance)**

We recognise other life / family issues too.

How does Palfrey try to work with parents to improve attendance.

1. We challenge term time extended leave in agreement with local schools, no holidays are authorised and we work with parents to reduce the days of absence
2. We try where possible to have at least 1 Inset day around Eid (but sadly this is sometimes not possible)
3. We work with parents whose children have below expectation absence, we know our children with chronic illnesses/ family issues etc and these are accounted for.

Our Attendance Reward Systems

1. 100% badges & certificates, because it is hard we recognise this.
2. 96% certificates
3. Class stickers 96% weekly (to encourage a class group)
4. Class attendance winners each term get a prize. This term its C4 making pizza.
5. Prizes / certificates for pupils on an attendance action plan who show significant improvement.
6. We also make allowances for pupils with significant chronic illness (hospital appointments/ hospital stays) , pupils who have had to be away from school due to safeguarding (they may be moved for a short period) we don't advertise these pupils as you will appreciate its confidential.
7. Prizes for pupils with mental health issues.
8. A tombola prize for parents whose children have achieved high attendance for the term. Children are entered into a draw to win a hamper each half term. The more full weeks attended the greater the chance of winning. (this is a new initiative)

So yes whilst we do give certificates/ badges for 100% we feel we also do consider those other pupils and give other rewards to them.

As a Headteacher of a primary school previously I am fully aware that our 3-7 year olds are reliant on their grown-ups to value their education to get them to school as they can't bring themselves. So as their advocate we will challenge parents if pupils attendance can be improved, when we conduct Pupil Progress meetings there is a direct correlation between attendance and attainment. My role is to give pupils the best chance to succeed, through many factors.

Finally I do recognise the large majority of our families are respectful of the school attendance policy and are ensuring their children attend regularly. We must work together to ensure all families understand the impact of none attendance on their child's life chances. We must work together to try to reduce the term time holidays as I can evidence this is the most challenging aspect to improve our school attendance.

I hope you have found this useful. Please do take a look at the attendance policy on our website which explains this in further detail. <https://primarysite-prod-sorted.s3.amazonaws.com/palfrey-infant-school/UploadedDocument/b7988607-0263-4684-93d8-3d5e4cc6b615/attendance-policy-palfrey-infants-2023.pdf>

I have included my last report to GB on attendance for last term as you can see Holidays impacted greatly.

Reception – Year 2: Attendance 93.1% (Impacted by term time holidays)

Classes 7, 8 & 9	Start Time	End Time
Monday- Friday	8.45am	3.15pm

Please be mindful we have a 10 minutes period for safe entry to school, there is no need to push and overcrowd the gate, this causes the children to be frightened and is unnecessary. After the initial rush there is plenty of time to enter calmly. Once children have gone through the gate, please clear the gateway for other children to enter, do not linger.

If you wish to get a message to the class teacher please speak with the school adults who are on the gate: Mrs Walsh, Mrs Adams.

Whitehall Road Entrance will be closed at 9am.

Try not to be late as this creates issues.

Any late pupils need to enter via the Bescot street entrance (entrance opposite Palfrey Garage)
